

MEETING INVITATION

Patton Township seeks your input and invites you to a collaborative session regarding the **Scotia Road/Circleville Road Intersection Alternatives Analysis** project. The Township and project consultant, ELA Group, Inc., will be presenting initial background information on the project and welcomes your input and insight on the intersection, which will help guide the planning and alternatives analysis for the project moving forward.

The session will be held at the Patton Township Municipal Office meeting room, on the lower level at 7:00 P.M., January 30, 2019. For additional information, please check at the Township website, www.twp.patton.pa.us or call (814) 234-0271.
