a. Public Safety

- 1) *Agreement for Participating in PA Aggressive Driving Enforcement and Education Project***

For the past several years the Police Department participates in the subject highway safety project aimed at curtailing aggressive driving. The Township is reimbursed for overtime enforcement details conducted by our Officers. Due to timing the Chair has already signed the agreement.

It is recommended that the Board approve the Agreement and ratify the Chair's execution of the same.

b. Public Works

1) **Salt Contract**

The Township participates in a state-wide contract administered by the Department of General Services for deicing salt. The contract runs for one year and requires annual participation approval from each municipality. The program year for this approval begins in August 2011 and ends July 2012. The deadline for submission of the contract is March 15, 2011. A memo from the Public Works Director with additional background information is included in the agenda materials.

It is recommended that the Board authorize the Manager to complete the participation agreement for the 2011-2012 Sodium Chloride Contract administered by the Commonwealth of Pennsylvania Department of General Services.

2) **Watershed Cleanup Day – April 23rd**

Clearwater Conservancy has requested that Patton Township designate April 23, 2011 as Watershed Cleanup Day. Clearwater Conservancy has organized this community-wide volunteer effort annually since 1997 and has collected and safely disposed more than 2,700 tons of trash from our waterways and country-sides.

Patton Township Public Works will continue to participate by providing trucks and labor to assist the collection efforts. The Public Works Director will coordinate activities between Clearwater Conservancy and the Township.

Copies of a request letter and flyer from Clearwater Conservancy are included in the agenda materials.

It is recommended that the Board designate April 23, 2011 as Watershed Cleanup Day.
