4. ADMINISTRATION

a. Proposed 2014 Township Budget: Presentation And Tentative Adoption

The following three items require a policy decision from the Board:

- i. S & A Fields contribution. The Ferguson Township Assistant Manager will provide a brief presentation and respond to questions raised by the Board in the Capital Improvement Plan discussion in October.
- ii. Local Planner usage from the Centre Regional Planning Agency. With the departure of the CRPA planner that had been assigned to the Township, the Manager recommends considering a reduction in usage to half-time.

The supplemental materials include a memo from the Manager with recommendation and options; and two letters from the COG Planning Director urging the Township to remain at full-time usage.

- iii. Centre County Economic Development Partnership. The Board received a presentation last week from the Chamber of Business and Industry of Centre County. The Manager will provide an update.
