PATTON TOWNSHIP FEE SCHEDULE

VII. RIGHT-TO-KNOW FEES (CONTINUED)

- 4 If a requester asks to receive records which require redactions in electronic format, an agency may print the records to provide for secure redaction, then scan them in for delivery by email. Accordingly, the agency may charge the fees noted above for either B&W or color copies, as appropriate.
- 5 If an agency must print records to send them by facsimile, the agency may charge the fees noted above for B&W copies.
- 6 If a requester seeks records requiring redaction, an agency may copy or print the records to provide for secure redaction. Accordingly, the agency may charge the fees noted above for either B&W or color copies, as appropriate.
- 7 If a record is only maintained electronically or in other non-paper media, duplication fees shall be limited to the lesser of the fee for duplication on paper or the fee for duplication in the original media, unless the requester specifically requests for the record to be duplicated in the more expensive medium. *See §1307(e)*.
- 8 This assumes the requester is using his or her own camera, such as a cellphone camera, to photograph the records. *See Muenz v. Township of Reserve, OOR Dkt. AP 2015-1021, 2015 PA O.O.R.D. LEXIS 1176*. If redaction is required prior to the requester being granted access to photograph records, an agency may copy or print the records to provide for secure redaction. Accordingly, the agency may charge the fees noted above for either B&W or color copies, as appropriate.
- 9 Under the RTKL, an agency may impose “reasonable fees for official certification of copies if the certification is at the behest of the requester and for the purpose of legally verifying the public record.” Certification fees do not include notarization fees.

Additional Notes

Fees May Be Waived: All fees established herein may be waived at the discretion of the Open Records Officer.

Other Statutory Fees: If a statute other than the RTKL governs the amount an agency may charge for a certain type of record, the other statute controls. For example, a Recorder of Deeds may charge a copy fee of 50 cents per uncertified page and \$1.50 per certified page (42 P.S. § 21051). Police departments may charge up to \$15 for a copy of a vehicle accident report (75 Pa.C.S. §3751 (b)(2)); the Philadelphia Police Department may charge up to \$25 per copy (Id. at (b)(3)). State police are authorized to charge “\$5 for each copy of the Pennsylvania State Police full report of investigation.” (75 Pa.C.S. §1956(b)). Other examples include the History Code, the Municipalities Planning Code, and the Criminal History Record Information Act.

Inspection of Redacted Records: If a requester wishes to inspect, rather than receive copies of, records which contain both public and non-public information, the agency may redact the non-public information. An agency may not charge the requester for the redaction itself. However, an agency may charge (in accordance with the OOR’s Official Fee Structure) for any copies it must make in order to securely redact the material before allowing the requester to view the records. If, after inspecting the records, the requester chooses to obtain the copies, no additional fee may be charged.

Fee Limitations: Except as otherwise provided by statute, the RTKL states that no other fees may be imposed unless the agency necessarily incurs costs for complying with the request, and such fees must be reasonable. No fee may be imposed for an agency’s review of a record to determine whether the record is a public record subject to access under the RTKL. No fee may be charged for searching for or retrieval of documents. An agency may not charge staff time or salary for complying with a RTK request. No fee may be charged for an agency’s response letter.

Prepayment: Prior to granting a request for access in accordance with the RTKL, an agency may require a requester to prepay an estimate of the fees authorized under this section if the fees required to fulfill the request are expected to exceed \$100. Once the request is fulfilled and prepared for release, the OOR recommends that the agency obtain payment prior to releasing the records.
