

ATTENDANCE:

BOARD Elliot Abrams, Chair
Pam Robb, Vice-Chair
Sultan Magruder, Supervisor
Daniel Treviño, Supervisor
Betsy Whitman, Supervisor

STAFF Doug Erickson, Township Manager
Tyler Jolley, Chief of Police
Lawrence Pegher, Finance Director
Alexandra Castrechini, Director of EPZ/Twp Engineer
Betsy Dupuis, Solicitor (via teleconference)
Ken Soder, Director of Public Works Operations
Leslie Warriner, CRPA Planner
Sunchul Soohoo, Police Officer

AUDIENCE	C-Net (2)	Steve Bair, Resident
	Duke & Monica Gastiger, RE Farm Café	Susan Chyczewski, Resident
	Tony Fruchtl, Penn Terra	Jeff Gruss, Space Mart
	Bob Poole, Space Mart	Alicia Cornali, S&A Homes
	Amy Farkas, Harris Twp Manager	Don Franson
	Brett Green (via teleconference)	

1. CALL TO ORDER

Mr. Abrams, Chair, called to order the March 8, 2023 Board of Supervisor's Meeting at 5:30 PM.

- a. Announcements** – the Board meet in Executive Session on February 13th, 15th, 27th and March 3rd with consultant GovHR to interview and negotiate with candidates for the Manager position on February 2nd with consultant GovHR to review candidate information for the Manager position.

Ms. Robb stated that the proclamation for Womens' History Month will be on the next agenda.

b. Pledge of Allegiance

c. Additions to the Posted Agenda – NONE

1.2 ANNOUNCEMENT OF NEXT TOWNSHIP MANAGER

Mr. Abrams stated that the Board of Supervisors takes great pleasure in announcing the selection of Ms. Amy Farkas as the next Patton Township Manager, succeeding Mr. Doug Erickson's retirement in mid-May. Ms. Farkas has been employed as Manager in Harris Township, Centre County, since 2005.

Mr. Trevino moved to hire and appoint Ms. Farkas as Township Manager to start on or around May 8, 2023 with said appointment conditioned upon execution of an employment agreement (see attachment Item 1.2) between the Township and Ms. Farkas following final review by the Township Solicitor and the Board Chair. Seconded by Ms. Whitman, the motion passed 5-0.

Ms. Farkas thanked the Board for selecting her as the Patton Township Manager and stated she is excited to work for Patton Township.

2. **PUBLIC COMMENTS**

Mr. Green stated that he lives off Oakwood Avenue and asked that the Board look into a provisional code for smoking/odor due to his neighbor next to him smokes a lot and impacts his home. Mr. Abrams stated that the Board will look into this.

3. **PRESENTATIONS / PUBLIC HEARINGS**

aa. **Recognition of Officer Soohoo**

Chief Jolley wished to publicly recognize Officer Sunchul Soohoo for his life-saving actions in May 2022. Officer Soohoo, an 18-year veteran of the Police Department, responded to an emergency call to a Patton Township restaurant and found a female diner choking and unable to breathe. Through his quick actions he dislodged the obstruction and saved the patient.

Chief Jolley presented a certificate recognizing Officer Soohoo's actions.

a. **Anti-Discrimination Regulations and Regional Human Relations Commission**

This item was first introduced to the Board in 2021, reintroduced in February of 2022 and again brought forward in 2023. See the [January 3, 2023 agenda](#) for additional background information. At the February 8th Board meeting the Manager reviewed the draft regulations with the Board. The Board then directed the Manager to place the matter on this agenda for a Public Hearing and Board consideration of adopting proposed regulations by Ordinance.

In the past weeks, the State College Borough Council and the Ferguson Township Board of Supervisors approved identical ordinances to adopt the proposed Anti-discrimination regulations and form a regional Human Relations Commission (HRC).

1) **Public Hearing**

The Board convened the Public Hearing for Ordinance 2023-627, Adding Anti-Discrimination Regulations to the Patton Code at 5:46PM.

Ms. Whitman moved to close the Public Hearing for Ordinance 2023-627, Adding Anti-Discrimination Regulations to the Patton Code at 5:47PM. Seconded by Mr. Trevino, the motion passed 5-0.

2) **Action Consideration**

Ms. Robb moved to approve Ordinance 2023-627, Adding Anti-Discrimination Regulations to the Patton Code. Seconded by Mr. Trevino, the motion passed 5-0.

b. **Master Plan Amendment; Geisinger Clinic 2023**

This Master Plan Amendment proposes changes to the 2005 Master Plan for the Gray's Woods Geisinger Clinic facility located at 132 Abigail Lane, Port Matilda. The 51.94 acre tract is located at the Gray's Woods interchange on I-99 in the Office Buffer District 2 (OBD2) zoning district and the I-99 Overlay district.

The 2023 Master Plan shows Geisinger's latest revised plans for the site including changes in the sequencing of phasing, building sizes and locations, parking, stormwater infrastructure, and utility placement, including:

3. PRESENTATIONS / PUBLIC HEARINGS (Continued)

b. Master Plan Amendment; Geisinger Clinic 2023 (Continued)

- Phase 3 (2023) includes a 2 story, 21,500 sf addition to the existing Geisinger Clinic structure. It also includes the extension of Abigail Lane, reconfiguring the ADA parking area at the main entrance to the clinic, a new 52 space surface parking lot, sidewalks, signage, bicycle parking, utility relocation, lighting, stormwater infrastructure, and landscaping.
- Phase 4 (2027), includes a 3rd story addition to the existing Geisinger Clinic structure, adding 70,600 sf of medical office space. ~~It also includes converting the existing surface parking lot to the rear of the clinic to a two-story parking garage, adding 525 parking spaces to the 68,000-sf parking facility.~~ See attachment Item 3b.4 noting parking structure not required for Phase 4.
- Phases 5 & 6 (2037) includes two new (25,000 sf and 11,500 sf) detached medical office buildings, stormwater infrastructure, a new surface parking area, sidewalks, signage, bicycle parking, utility infrastructure, lighting, and landscaping. It also includes completing the bike path.

The Planning Commission, at their [February 6th](#) meeting, recommended conditional approval of the plan based on the following conditions:

1. Completion of all outstanding plan review comments from Staff and Agency letters.

The agenda materials included (Item 3b.1) the Location Map, Staff and Agency Plan Review Comment Letters and the Plan Set. The comment letter (Item 3b.2) from the Centre County Office of Planning and Community Development is also attached. Comments from the Centre Regional Planning Commission are included with this supplement distribution (3b.3).

1) Public Hearing

The Board convene the Public Hearing on the Geisinger Clinic 2023 Master Plan Amendment at 5:52PM.

Mr. Garis stated that the residents on Ghaner Road would like to connect to the water line to be installed but due to the size of the water line for Geisinger the residents will have to pay more to the State College Borough Water Authority to connect.

Ms. Dupuis stated that the water authority is a separate entity and suggested the Board having a conversation with the water authority.

The Board recessed the Public Hearing until the March 22, 2023 meeting.

c. Zoning Amendment to Add Multi-Story Commercial Style Storage Facility to Permitted Uses in the C-2 District

In November of 2022, Spacemart Self-Storage requested that the Township consider amending the Zoning regulations ([Chapter 175](#)) to “add climate-controlled public self-storage as an additional permitted use in Patton Township’s C2 District.” The request (see attachment Item 3c.1) proposed that this use be defined as a “public self-storage facility with 60% or more of the floor area of the facility being conditioned, and no more than 40% of the floor area be ambient drive-up storage.” There was also a request to review parking requirements for such a use.

3. PRESENTATIONS / PUBLIC HEARINGS (Continued)

b. Zoning Amendment to Add Multi-Story Commercial Style Storage Facility to Permitted Uses in the C-2 District (Continued)

Currently, public self-storage is only permitted in the [PAD \(Planned Airport\) Zoning District](#) and in the I (Industrial) Zoning District as a conditional use. Neither includes any distinction with regard to “climate control”.

At the [February 6th](#) meeting, the Planning Commission recommended that the Board take action to permit the use as requested by amending the Zoning and Subdivision regulations in the Patton Township Code as follows:

- Amend Section 175-6 (Zoning, Definitions) to add a definition for “MULTI-STORY COMMERCIAL STYLE STORAGE FACILITY” that would permit the requested use and would read:
A structure with two or more floors designed and used for the storage of materials by multiple individuals for a fee. All materials must be stored within one or more structures on the site. Storage of materials outside of any structure is strictly prohibited. No office, sales, rental of goods or services, or industrial activities shall occur within or outside of the storage buildings, nor shall any hazardous or otherwise dangerous materials be permitted to be stored in such facilities. No more than 40% of the units can be located on the first floor and no more than 40% of the units can have exterior points of access.
- Amend Section 175-17B.(1) (Zoning, C-2 Planned Commercial District, Use regulations, Uses by Right) to include MULTI-STORY COMMERCIAL STYLE STORAGE FACILITY as a permitted use.
- Amend Section 153-38C.(1) (Subdivision and Land Development, Off-street parking regulations, Parking space for nonresidential uses, Required off-street parking) to add the following requirement for MULTI-STORY COMMERCIAL STYLE STORAGE FACILITY:
1 per 50 units, plus 1 per each full-time employee, plus 1 for each loading zone
- The Planning Commission further recommends that the Board take action to move the definition of SELF-STORAGE FACILITY from the Planned Airport District section to Section 175-6 (Zoning, Definitions). This definition only applies to classic-type storage facilities that already exist in the Township.

The agenda materials also included a map showing the locations of the C-2 (Planned Commercial) in Patton Township (Item 3c.2).

The comment letter (Item 3c.3) from the Centre County Office of Planning and Community Development is also attached. Comments from the Centre Regional Planning Commission are included with this supplement distribution (3c.4).

1) Public Hearing

The Board convened the Public Hearing for Ordinance 2023-627 Adding Multi-Story Commercial Style Storage Facility to Permitted Uses in the C-2 District at 6:27PM.

Ms. Whitman moved to close the Public Hearing for Ordinance 2023-627 Adding Multi-Story **3**.

PRESENTATIONS / PUBLIC HEARINGS (Continued)

b. Zoning Amendment to Add Multi-Story Commercial Style Storage Facility to Permitted Uses in the C-2 District (Continued)

Commercial Style Storage Facility to Permitted Uses in the C-2 District at 6:28PM. Seconded by Mr. Trevino, the motion carried.

Mr. Trevino asked if vehicle storage is permitted in “classic style” storage facility outside of the unit. Staff responded that is not permitted.

2) Action Consideration

Ms. Robb moved to approve Ordinance 2023-627 Adding Multi-Story Commercial Style Storage Facility to Permitted Uses in the C-2 District. Seconded by Mr. Trevino, the motion passed 5-0.

4. PUBLIC SAFETY

a. February 2023 Police Report

Chief Jolley gave a brief overview of the February 2023 Police report.

The Board took a brief recess at 6:50PM.

b. Noise Waiver Application – RE Farm Café

The owners of RE Farm Café at 1000 Fillmore Road have again requested a partial waiver from the noise requirements of [Chapter 105](#) of the Patton Township Code. Specifically, they request exemption to the limits on amplified music for a series of events from March to November; from noon to 10 pm. A location map and a copy of the waiver application is included with the agenda materials (Item 4b.1).

The Board conditionally approved a similar request last two years, requiring in 2021 that surrounding homeowners be notified in writing and holding the ability to withdraw or revisit the waiver if complaints are received. A copy of the notice sent to the homeowners in 2021 and a list of addresses is included with the agenda materials (Item 4b.2). Staff received no comments or complaints in the last two years.

Mr. Magruder moved to approve the Noise Waiver – RE Farm Café as submitted. Seconded by Ms. Whitman, the motion passed 5-0.

5. PUBLIC WORKS OPERATIONS

a. Discussion on No-Mow May

In May 2022 the Supervisors briefly reviewed a request from a Park Forest resident to suspend enforcement of the lawn limit height for the month of May. The agenda materials also include an article on “no-mow May” that was distributed last year – see attachment Item 5a.1

Given the timing of the request, the Board took no action in 2022 and asked for the item to be brought forward again in March 2023.

The Patton Township Code requires that lawns be kept at less than 6 inches in height. Violators are issued a warning and given 3 days to mow their lawns. If the violation persists after the 3-day period they will be fined \$35. The Code Enforcement Officer is responsible for monitoring and enforcement.

5. PUBLIC WORKS OPERATIONS (Continued)

a. Discussion on No-Mow May (Continued)

State College Borough implemented No-Mow May in 2022 via a resolution and conducted a follow-up survey to gather feedback from their residents – see attachment Item 5a.2

The Board will also want to consider whether to apply such a policy to Township operations for maintaining grass along roadways, in parks and on other Township properties.

If the Board is still interested in such a proposal, the Manager suggests opening a public comment period to collect input from Township residents and making a decision at the April 12th meeting.

One public comment is included with this supplement distribution (5a.3).

Mr. Trevino stated that he is not in favor of No-Mow May because of most of Patton Township being rural and his concern of ticks.

Ms. Whitman stated that she is in support of No-Mow May.

Mr. Magruder stated that the cons outweigh the pros on this issue. He stated he would rather see a campaign promoting our residents to plant more native plants.

Ms. Robb stated that she is in favor of No-Mow May.

Mr. Abrams stated he is strongly opposed to No-Mow May.

Mr. Garis stated that the mosquito spray harms the pollinators.

Ms. Whitman moved to support No-Mow May. Seconded by Mr. Magruder, the motion did not pass 2-3, with Mr. Abrams, Mr. Trevino and Mr. Magruder voting no.

6. ENGINEERING, PLANNING, & ZONING

a. Proposed Change to Sewage Enforcement Officer

Our current Sewage Enforcement Officer (SEO), Mary Kay Lupton, has notified the Manager that she is shifting the focus of her practice and is stepping down as our Primary SEO. Ms. Lupton desires to be appointed as an Alternate SEO so her current projects may be completed and to assist with the transition.

Over the past few years most of the other Centre Region municipalities have begun using the Centre Region Codes Administration (Codes) for these services. The agenda materials include a proposal letter to appoint the qualified individuals at Codes to positions as Primary and Alternate SEO (see attachment Item 6a.1).

Mr. Trevino moved to make the following appointments. Seconded by Mr. Magruder, the motion passed 5-0.

Primary SEO	Walter G. M. Schneider III (replacing M.K. Lupton)
Alternate SEOs	Mary Kay Lupton, Cory M. Warner, James W. Royer Robert E. Royer, Jr, Bryan K. Roan, Jonathan T. Long

7. ADMINISTRATION

a. Council Of Governments Budget Process Discussion

The Centre Region Council of Governments (COG) General Forum has requested input from the member municipalities on the process of developing the COG's 2024 budget. This effort is one of the outcomes of the protracted 2023 COG Budget deliberations. The Township's representative to the COG Finance Committee, Supervisor Trevino, is seeking input on three aspects of the budget development process:

- Timeline for budget process
- Guidance to COG on growth in municipal contributions
- Budget priorities

Timeline – The Finance Committee reviewed a proposed budget calendar at their February meeting – see attachment Item 7a.1.

Supervisor Trevino and the Director of Finance and Administration have reviewed the schedule and find no conflicts with our internal processes.

The other Supervisors should review the timeline and provide any questions or additional comments or indicate concurrence with the above.

Guidance on growth in municipal contributions – From 2011 to 2018 the Finance Committee had provided the COG Administration such guidance in the form of a desired maximum percentage for the overall increase in municipal contributions for the upcoming year. That practice was dropped until 2023.

Supervisor Trevino and the Director of Finance and Administration recommend that guidance be provided and that COG staff use a methodology similar to that employed by College Township Councilman Franke last year to provide a first estimation for the guidance number.

The other Supervisors should review the above information and provide any questions or additional comments or indicate concurrence with the above recommendation.

Budget Priorities – The General Forum forwarded a list of eight items titled “Draft 2024 Budget Priorities” (see attachment Item 7a.2) and requested “review, discussion, suggested edits or additions, and feedback; and any consensus board/council feedback.”

Supervisor Trevino, the Township Manager, and the Director of Finance and Administration have reviewed the list and offer the following alternative approach (Patton Township's Proposed COG Budget Priorities) to guide the COG budget process.

The other Supervisors should review the information provided and offer any questions or additional comments or indicate concurrence with the above recommendation.

Patton Township's Proposed COG Budget Priorities

1. **Continue existing programs** at the lowest practicable cost. If fiscal constraints indicate all existing programs cannot be funded, they should be prioritized per the primary mandate of local government – address issues of the health, safety and welfare (in that order) of our communities.

7. ADMINISTRATION (Continued)

a. Council Of Governments Budget Process Discussion (Continued)

Patton Township's Proposed COG Budget Priorities (Continued)

2. **Maintain and/or replace**, in a timely manner, the personnel, equipment, contractual relations, and facilitates that are vital to the items covered by Priority #1.

3. **Consider new programs or expansions (more personnel, consultants, contractors, equipment or facilities) to existing programs** that address the prioritized list below. The Agency Directors proposing these new/expanded programs will need to provide specific proposals, with multi-year cost estimates, that will then be prioritized and funded as fiscal constraints permit.
 - a. Safety of those who live, work and visit the Centre Region
 - b. Commitment to an inclusive, healthy, and sustainable community
 - c. Taking care of personnel, equipment and facilities
 - d. Prepare for the future of the community and COG
 - e. Efficient interconnected shared-services delivery system
 - f. Regional economic benefit to support the vitality of the region
 - g. Addressing economic impacts (inflation/deflation)

By consensus, the Board agreed with the COG Budget Priorities.

b. (reserved)

c. Re-Codification Project – Request #4 for Board Input

Please see the [January 3, 2023 agenda](#) for additional background information. At that meeting the Manager introduced this project to the Board members and reviewed 5 items that required preliminary approvals.

Of the original 158 comments provided by General Code, there are still 15 that are unresolved.. A few more of the items for Board review are included below for explanation and direction.

The items for this agenda include:

- 1) **Global Nomenclature Changes** – This project offers the opportunity to make wording changes through the entire Code or specific Chapters.

Staff recommends the changes shown on the attachment 7c.1

By consensus, the Board agreed with the Staff recommendations.

- 2) **Septic Holding Tank Regulation** – General Code notes that Holding Tanks (aka retaining tanks) are addressed in both Chapters 87 and 136.

Staff recommends repealing Chapter 87 and updating Definitions in Chapter 136 to clarify that septic holding tanks and septic retaining tanks are included in these more comprehensive regulations. See additional information in attachment 7c.2.

By consensus, the Board agreed with the Staff recommendations.

7. ADMINISTRATION (Continued)

c. Re-Codification Project – Request #4 for Board Input (Continued)

- 3) **Fire Lane Regulations** – General Code asks if the Township is following the practices outlined in Chapter 78, Fire Lanes

Staff notes that the practices in Chapter 78 are out-dated and recommends that this issue should be deferred until after Code publication and referred to the Planning Commission to look at the following potential changes:

Revise Chapter 153 Subdivision and Land Development to include any relevant sections from Chapter 78

and move enforcement and penalties from Chapter 78 to Chapter 167 Vehicles and Traffic **and then** Repeal Chapter 78.

See additional information in attachment 7c.3

By consensus, the Board agreed with the Staff recommendations.

- 4) **Treating Icy Sidewalks** – General Code suggests adding language to Chapter 149 requiring that sidewalks be “*kept strewn with ashes, sand or any suitable abrasive material*” if they cannot be cleared of snow or ice.

Staff recommends that since this issue may generate considerable public interest, the Township defer any change and review the item again following publication of the updated Code.

By consensus, the Board agreed to not make any changes.

- 5) **Cable Systems** – Chapter 60 was adopted in 2008 as a companion piece to the new Cable Franchise agreement that was being adopted at that time. The next Cable Franchise agreement, adopted in 2019, was a stand-alone document that was meant to supersede Chapter 60. In retrospect, Chapter 60 should have been repealed at that time.

Staff recommends that the Chapter 60 be repealed and staff be tasked with reviewing the need for any new regulations governing the use of Township Right-of-Way (see State College Borough regs at <https://ecode360.com/32908778>.)

By consensus, the Board agreed with the Staff recommendations.

d. Resolution to Re-adopt Township Fee Schedule

The Manager recommends the Board take this action to make the current Fee Schedule (last amended December 2022) the new “base” document in lieu of the document adopted in February 2000 by Resolution 2000-03. (see Item 7d.1)

This would only change the cover sheet of the Fee Schedule to drop the reference to the above resolution from 2000 and to now read “Adopted by the Patton Township Board of Supervisor, March 8, 2023, Resolution 2023-007.” The second page of the Fee Schedule would also be updated to refer to Resolution 2023-007 and the list of all the amendments from 2000 through 2022 would be eliminated.

7. **ADMINISTRATION (Continued)**

d. **Resolution to Re-adopt Township Fee Schedule (Continued)**

The agenda materials also include the current Fee Schedule (last amended December 2022, Item 7d.2) and the draft of Resolution 2023-007 (Item 7d.3).

Ms. Whitman moved to adopt Resolution 2023-007 to Re-adopt Township Fee Schedule. Seconded by Ms. Robb, the motion passed 5-0.

8. **CONSENT AGENDA**

The items included below are routine in nature and it is not anticipated that any will generate discussion or questions. The actual Consent Agenda with a brief description of each item is included with the agenda packet materials distributed to the Board and available to the public on-line and at the sign-in table. At the request of any Board member, any single item or all items on the Consent Agenda can be discussed and voted on separately. If no items are “pulled,” the Board should consider a motion for “approval of the Consent Agenda items as shown on the agenda.”

a. **Public Safety**

1) **Code Board of Appeals Appointments**

Municipalities in Pennsylvania are required by the Uniform Construction Code (section 501(c) of the Act (35 P. S. § 7210.501(c)) to establish and appoint members to serve on a board of appeals. According to the UCC, the “*board of appeals shall hear and rule on appeals, requests for variances and requests for extensions of time.*” The UCC also provides that “*two or more municipalities may establish a joint board of appeals through an intermunicipal agreement under 53 Pa.C.S. § § 2301—2315 (relating to intergovernmental cooperation).*”

The six Centre Region municipalities adopted an updated Agreement in late 2020 to streamline the functioning of the Board of Appeals.

During the February 27, 2023 COG meeting, the General Forum forwarded a slate of members to the Centre Region Building and Housing Code Board of Appeals as recommended by the Public Safety and Executive Committees to municipalities for appointment by way of the following motion:

That the General Forum forward the following nominations to the member municipalities for re-appointment to the Centre Region Building and Housing Board of Appeals for the identified terms:

Jonathan P. Peno, PE (Three-year term, April 1, 2023 – March 30, 2026)
J. Michael Leakey, R.A. (Three-year term, April 1, 2023 – March 30, 2026)

It is recommended that the Board approve the above appointments

b. **Public Works Operations – no items**

c. **Engineering, Planning, & Zoning – no items**

8. CONSENT AGENDA (Continued)

d. Administration

1) Minutes February 8, 2023 Meeting and February 27, 2023 Special Meeting

The draft minutes of the last two Board meeting are included with agenda materials. Board members having questions or changes should contact the Township Manager prior to the meeting so revisions can be included in a supplemental distribution.

It is recommended that the Board approve the subject minutes.

2) Voucher Report

The February 2023 Voucher Report will be distributed with the March 7th agenda update. Board members having questions should contact the Township office prior to the meeting so the necessary information can be obtained.

It is recommended that the Board approve the above noted Voucher Report.

e. Proclamations – no items

Mr. Trevino moved to approve the Consent Agenda. Seconded by Mr. Magruder, the motion passed 5-0.

9. MANAGER'S REPORT

Mr. Erickson reported on current matters, including:

- a. Correspondence (enclosed)
 - [1] PFAs in Benner Township Update from DEP
 - [2] Notice of Water Tank Re-painting
- b. Announcements
 - [1] Spongy Moth Update – Press Release and planned mailings (enclosed)
 - [2] CATA change in Board member (enclosed)
- c. Upcoming Events
 - [1] Township Office Schedule
 - Good Friday, April 7, Office Closed for Carpet Cleaning
 - Memorial Day, May 29, Office Closed
 - [2] April 23 to 26 PSATS Conference
 - [3] April 28 & 29 [Household Hazardous Waste Collection](#),
 - [4] May 16 Municipal Primary Election

10. COMMITTEE REPORTS

- a. Council of Governments Committees
 - Finance Committee -- February 9, Trevino (report enclosed)
 - Climate Action and Sustainability Committee – February 13, Whitman
 - Public Safety Committee -- February 14, Robb (report enclosed)
 - Executive Committee – February 21, Abrams
 - Parks Governance – February 22, Trevino (report enclosed)
 - Human Resources Committee – March 1, Magruder
 - Land Use and Community Infrastructure Committee – March 2, Abrams

10. COMMITTEE REPORTS (Continued)

a. Council of Governments Committees (Continued)

Facilities Committee – March 14, Whitman
Finance Committee – March 16, Trevino
Climate Action and Sustainability Committee – March 13, Whitman
Public Safety Committee -- March 9, Robb
Executive Committee – March 21, Abrams

- b. State College Borough Water Authority, (3rd Thursday)
- c. Centre Area Cable Consortium, [as needed – Trevino](#)
- d. Spring Creek Watershed Commission, – Mason
- e. Centre County Metropolitan Planning Org. – Feb. 28, Abrams, Robb Alt. (summary attached)
- f. [Centre County Airport Authority, \(4th Thursday\) Downsborough](#)(report enclosed)
- g. [Solar Power Purchase Working Group, – Whitman, Pegher Alt](#) (report enclosed)

11. OTHER BUSINESS

There was no other business.

12. ADJOURN

Mr. Trevino moved to adjourn the March 8, 2023 Board of Supervisors Meeting at PM. Seconded by Mr. Magruder, the motion passed 5-0.

Douglas J. Erickson, Township Secretary
