## Department Notes:

- Four individuals were arrested for a variety of sex offenses related to solicitation of minors for prostitution. PTPD arranged a joint detail involving the FBI, PA State Police, and other area municipal agencies. The individuals were all charged Federally, and their cases are being prosecuted by the United States Attorney's Office for the Middle District of Pennsylvania.
- A 63-year-old male was arrested for theft of mislaid property. The male found a wallet laying on the ground inside a township store. The male put the wallet in his pocket and exited the store. The male made no attempts to return the property to the owner or the police.
- A 37-year-old female and four juveniles were arrested for a retail theft incident. The investigation revealed that the adult was directing the juveniles to steal specific merchandise from township stores. The adult was then selling the merchandise online and paying the juveniles a portion of her profits.
- 21 arrests were made for retail theft, 11 for minor's law, and 2 for DUI.
- Officers successfully served 3 warrants of the 8 warrants that they attempted to serve.
- Officers conducted 10 vacation home checks.

**Use of Force:** PTPD officers used force during one incident in the month of November.

Officers were dispatched to a holdup alarm at a township business. Upon arrival, employees directed officers to a female seated outside the store. They advised that she had been disorderly inside the store and had urinated on the sidewalk outside the store. Officers spoke with the female for approximately an hour (attempting to arrange a ride from the scene, accept mental health treatment, or other options) and ultimately determined that she was unable to care for herself. Officers decided to take the female into custody and have her transported to the hospital for a mental health evaluation. When EMS arrived, the female fled on foot. Officers caught up with her and upon grabbing her arms, she passively resisted. As officers tried to place the female into a car for transport, she began to physically resist. She kicked one officer in the groin and punched one officer on the cheek. The female was eventually subdued and transported to the hospital by EMS. No injuries were reported by the officers or female. The female is facing charges for assaulting the officers.

SUBJ: Performance Report

In July 2023 Ofc Vardzel handled a routine report in which an individual reported a possible scam. While investigating the report, Ofc Vardzel uncovered evidence that the individual was communicating with a prostitute and that individual was ultimately arrested for solicitation of prostitution. Furthermore, Ofc Vardzel's investigation revealed that the solicitation of minors for prostitution was evident in the State College area. He then discussed this matter with the local FBI field office and ultimately arranged a joint detail to target individuals who were soliciting minors for illegal acts. Ofc Vardzel coordinated this detail in November 2023. It involved nearly fifty FBI agents and numerous law enforcement officers from several different state and local agencies. Four individuals were ultimately arrested on charges related to solicitation of a minor.

It was due to the diligent and conscientious investigation by Ofc Vardzel and his subsequent work with other agencies that several dangerous individuals who posed a detriment to the community were arrested. His actions reflect the highest credit on himself and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.
