Note: Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A 31-year-old male was arrested for trespassing. Officers responded to a burglar alarm at a township business a couple hours after the store had closed. The male was found hiding in the bathroom of the business when officers searched the interior of the building.
- A 32-year-old female was arrested for simple assault and harassment. The charges stemmed from a domestic dispute between two family members. The victim suffered injuries as a result of being physically assaulted and struck by a door.
- A 22-year-old male was arrested for harassment and criminal mischief. The male struck another male in the face, knocking off and breaking the victim's glasses. The dispute was the result of issues in a previous romantic relationship.
- 11 arrests were made for retail theft and 2 for minor's law.
- Officers successfully served 5 warrants of the 10 warrants that they attempted to serve.
- Officers conducted 19 vacation home checks.

Use of Force: PTPD officers used force during one incident in the month of December.

Officers responded to a reported domestic dispute. Upon arrival they found a male who appeared to be under the influence of drugs and struggling with mental health issues. Family members had attempted to subdue the male but were unsuccessful. Officers handcuffed the male behind his back and attempted to deescalate him. Officers were able to calm the male down, however he actively resisted and attempted to bite officers when EMS arrived. The male was placed on a stretcher and transported to the hospital for further treatment. No injuries were reported by the male or the officers on scene.

Community Relations:

Sgt. Albright, Sgt. Shupenko, and Ofc. Sunderland provided traffic control for the Nittany Valley Half-Marathon. The race was along Fox Hollow and Fox Hill roads in Patton Township.

Ofc. Tuskovich, Ofc. Shaffer, Ofc. Sallade, Ofc. Ottolini, and Chief Jolley all participated in a Hero's and Helper's event at Target. PTPD partnered with the Centre County Youth Service Bureau and Target. Thanks to a grant from Target, this year 8 young adults in YSB's supportive independent living program were each given \$150 gift cards to Target to shop for themselves.

Ofc. Sunderland installed a child seat for a township resident.

Ofc. Tuskovich, Chief Jolley, and Township Receptionist, Casey Lyncha, all participated in our Blue Christmas event. PTPD partnered with Ferguson Township Police department five years ago. Each department participated in "no shave November" raising funds for the event. With assistance from the Salvation Army and their "Angel Tree" project, families in Patton and Ferguson Township were identified to participate. The families provided lists of the children's wants and needs and officers shopped for each child. Special thanks to Walmart, Wegmans, and Delgrosso's Park for their ongoing support! This year officers shopped for 9 families and a total of 18 children.

Training and Department Activities

Ofc. Shaffer and Ofc. Tuskovich attended Tactical Response Team training.

Ofc. Mitch Snyder began his training with our K9.

Ofc. Michael Ottolini was sworn-in as a member of PTPD.

Subject: Re: Thank You

Thank you both! This partnership has been a true blessing the past couple of years.

It's harder to see sometimes with older kids, but they definitely enjoyed themselves. One of the hard parts about living without family support as a young person around the holidays is that there are a lot of unknowns. When our community steps up and makes them feel special, that sticks with them. As kids were checking out, I asked each of them what they were most excited about getting. The answers varied, but some of them were incredibly practical - they were excited to purchase new socks and underwear because that's something that they really want to be able to pick out for themselves, rather than get from our stock at the shelter. One young man living in an apartment of his own for the first time (and buying food by himself for the first time) was excited to get a crockpot because he's been looking up easy recipes he can make at home. Another teen said that just getting a Starbucks drink while walking through Target, knowing they could get something they really wanted felt like a luxury they weren't expecting.

Take care and Happy Holidays! You certainly made ours a little brighter here at YSB!
