## **Department Notes:**

- A 43-year-old male was arrested for trespassing and resisting arrest. The male was asked to leave a township business. He refused to leave so PD was called. The male also refused to leave when officers told him to. He then resisted arrest as officers took him into custody.
- A 22-year-old female was arrested for simple assault and trespassing. The female confronted a former friend, refused to leave their apartment, and then physically assaulted the other woman.
- A 21-year-old female was arrested for a protection from abuse (PFA) order violation. The female, who had an active PFA filed against her, showed up at the protected individual's residence and was knocking on the door and ringing the doorbell. Officers found the female in the front yard of the protected individual and took her into custody.
- 12 arrests were made for retail theft and 3 for driving under the influence.
- Officers successfully served 2 warrants of the 19 warrants that they attempted to serve.
- Officers conducted 44 vacation home checks.

**Use of Force:** PTPD officers did use force during one incident in the month of May.

Officers were dispatched to a township business for a trespassing incident. The male refused to leave even after officers instructed him to do so. Officers attempted to grab the male's arms to escort him out of the store. The male resisted and officers took him to the ground. The male was handcuffed and escorted out of the store. There were no injuries reported and the male was later arraigned on charges of trespassing and resisting arrest.
