Department Notes:

- A 37-year-old male was arrested for theft by deception and fraud. The male attempted to make a fraudulent return of an item worth \$1,200 which was purchased at a township store. The male kept the item he purchased and returned an empty box which he resealed.
- A 22-year-old male was arrested for possession of a small amount of marijuana and paraphernalia. Officers were dispatched to a domestic dispute. While interviewing the involved parties, officers noticed the drugs and paraphernalia.
- A 51-year-old male was arrested for simple assault and terroristic threats. The charges were related to a domestic dispute where the male threatened his wife with a knife.
- 17 arrests were made for retail theft and 3 for driving under the influence.
- Officers successfully served 5 warrants of the 11 warrants that they attempted to serve.
- Officers conducted 19 vacation home checks.

Use of Force: PTPD officers used force during one incident in the month of December.

An officer arrested a female for retail theft at a township store. The female was able to slide one of the handcuffs off her wrist. She then attempted to flee the store. The officer took the female to the ground where the handcuff was reapplied. The female then remained compliant

throughout the remainder of the interaction. No injuries were reported. The female was charged with retail theft, resisting arrest, and escape.

Subject: Incident 24PT05299 Fairwood Ln

Mr. Bressler stopped by the office today to thank the officers who responded to the alarm at his house at Fairwood Lane in the wee hours of December 3. He could see on his cameras that many officers responded and he appreciates your efforts.

He has determined that the crack in the window was caused by the cold temperatures.
