Note: Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A 19-year-old male was charged with disorderly conduct and carrying a fake identification. An officer was dispatched (for the second time) to a residence for loud music. Upon contacting the resident, the officer asked for ID. The male opened his wallet and immediately closed it. The officer pointed out that he observed an ID in the wallet and the male advised that it was fake.
- A 19-year-old female was charged with retail theft, defiant trespass, and disorderly conduct. The female had been involved in a previous theft incident at a township store and was given a no trespassing order. The female was found to be in the store. Upon further investigation, the officer learned that the female removed over \$100 worth of merchandise.
- 16 arrests were made for retail theft and 4 for possessing fake identification.
- Officers successfully served 4 warrants of the 9 warrants that they attempted to serve.
- Officers conducted 40 vacation home checks.

Use of Force: PTPD officers used force during three incidents in the month of January.

An officer was dispatched to a township business to deal with an intoxicated individual. It was reported that the business wanted the male to leave, and he had to be physically removed. The officer displayed his taser and gave the male verbal commands. The male eventually complied

with the verbal commands, and he was taken into custody without incident. There were no injuries reported, and the male was charged with disorderly conduct and public drunkenness.

Officers responded to a suicidal male at a residence. Upon arrival officers could see a shotgun through the front door window. Officers drew their duty weapons as they entered the residence. Contact was made with the male who was unarmed. Officers holstered their weapons and secured the male. No injuries were reported, and the male was transported to the hospital for mental health treatment.

Officers were dispatched to Penn Highlands Hospital to assist staff with a patient who was being restrained. The patient was having a mental health episode and was possibly under the influence of narcotics. Officers assisted until staff gained control of the male. No injuries were reported.
