Note: Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A 24-year-old male was arrested for possessing a small amount of marijuana and possessing drug paraphernalia. The male was stopped during an investigation into a reported retail theft from a township store. The male's car was seized and officers applied for a search warrant. The illegal items were located while searching the vehicle.
- A 28-year-old male was arrested for simple assault and harassment. The charges stemmed from a fight with a family member, which grew physical when they suggested he could not have any more alcohol. The male ended up biting the family member.
- An 18-year-old male was charged with trespassing, disorderly conduct, and public drunkenness. The male, who was extremely intoxicated, entered an apartment where he did not belong. The resident confronted the male and told him to leave. The male refused to leave, so the resident physically removed him from his apartment.
- 10 arrests were made for retail theft and 5 for driving under the influence.
- Officers successfully served 1 warrant of the 7 warrants that they attempted to serve.
- Officers conducted 52 vacation home checks.

Use of Force: PTPD officers used force during two incidents in the month of February.

Officers were dispatched to a domestic dispute. The reporting party advised a male family member was out of control and had assaulted two people at the residence. Officers attempted to handcuff the male, who began to physically resist. Officers took the male to the ground where they were able to gain control of his arms. The male was handcuffed successfully and was charged with simple assault and harassment. No injuries were reported.

Officers were dispatched to a township school for a report of a student being destructive and disruptive. The student threw a chair at a staff member and then threw their shoe at an officer's head. The officer had to physically restrain the student, using minimal force, until the student calmed down and staff could take back control of the situation. No injuries were reported.

Community Relations

Ofc. Tuskovich provided a station tour for a few students from the Merakey School.

Chief Jolley met with a resident of the C.A.R.E.S. program, who is moving into the township and wanted to get to know about local police officers.

Ofc. Tuskovich spoke with an 8th grade PFMS social studies class about the Bill of Rights.

Training and Department Activities

Sgt. Shaffer and Ofc. Tuskovich attended Tactical Response Team Training.

Det. Sallade and Ofc. Finochio attended training on investigating overdose deaths.

Ofc. Snyder and Graf completed their required 2 days of training. Graf was also deployed three times. He was used at the Greater Altoona Career and Technology Center where he conducted sniffs of 5 classrooms, during a suspicious person call, and during a traffic stop. Graf alerted on a car during the suspicious person call. A search warrant yielded 4.5 grams of cocaine, 2 grams of methamphetamine, and 2.7 grams of fentanyl.

Chief Jolley attended a Human Society Police Officer meeting, the Community and Campus in Unity meeting, and the annual Public Employer Labor Relations Advisory Service (PELRAS) Labor and Personnel Management Conference.
