Department Notes:

- A 35-year-old female was arrested for theft and receiving stolen property. The female sold video games to a store, which she had stolen from another store in the township. An officer encountered the female at a gas station and evidence of the crime was observed as it fell out of her vehicle onto the ground when she exited her car.
- A 34-year-old male was charged with arrest prior to requisition. An officer conducted a traffic stop on a vehicle of which the male was driving. It was found that the male had an active warrant from Harrisburg City PD. The male was charged to be held on Harrisburg's warrant until they could come pick him up.
- An 18-year-old female was arrested for possessing a small amount of marijuana. An officer was patrolling Circleville Park after dark when the park was closed. The officer found a vehicle parked in the parking lot. The officer approached the vehicle and could immediately smell the odor of marijuana. The female occupant of the vehicle turned over the marijuana to the officer.
- 7 arrests were made for retail theft and 3 for driving under the influence.
- Officers successfully served 12 warrants of the 21 warrants that they attempted to serve.
- Officers conducted 47 vacation home checks.

Subject: Interaction with Officers in Last Week

Hi Chief,

Just sending you a quick note, regarding my interaction with PTPD Officers on two separate occasions, while I was the Alpha Fire Company Duty Officer.

- Late Thursday into Friday morning, Officer Friend found an audible alarm activated at the N. Atherton Fed Ex building. He paged for the Duty Fire Chief to assist on this matter and we checked the building out and tried to reset the alarm, with no luck. Michael helped do some research on additional building contacts and eventually tracked some folks down from the hair salon, that could give us information on the Landlord. I appreciated Michael sticking around and assisting with getting additional information to try and solve the problem.
- Saturday night, we had a brush fire between Ghaner Dr and Circleville Road. Pretty much your entire evening shift helped by either providing directions to the seat of the fire or assisting with a million other tasks. One of your Officers found an access point for us off Circleville, that allowed us to get our brush truck back to the fire from that side of the woods. He jogged up and down the path so he could find access and make contact with our units to guide them back to the fire. He even asked for a ride on the brush truck, which we obliged and provide him. But of course, our guys busted his chops and told him he really wanted to ride with us, because deep down inside, he wanted to be a Firefighter and not a Cop!!!!

Too often in the business, we as leaders hear about things not going well on calls with our staff. I just wanted to give you a shoutout on these two particular incidents, where you Officers went above and beyond to assist us.

Thanks,
