Note: Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A 45-year-old male was charged with criminal mischief and harassment. The male damaged a vehicle belonging to the current boyfriend of his ex-girlfriend.
- A 27-year-old female was cited for scattering rubbish. Bags of trash were located in a wooded area. An officer was able to identify a suspect when they found her name on items in the trash bags. The officer interviewed the female, who admitted to dumping her garbage in the woods because she was upset the hauler missed her residence.
- A 32-year-old male was charged with false reports to law enforcement. The male reported a PFA violation. After further investigation it was determined that the male misled officers to believe he received a message, in violation of a PFA. It was found the message was received the day before the PFA went into effect and he knowingly provided false information to the officer.
- 7 arrests were made for retail theft and 4 for driving under the influence.
- Officers successfully served 17 warrants of the 44 warrants that they attempted to serve.
- Officers conducted 13 vacation home checks.

Use of Force: PTPD officers did use force during two incidents in the month of April.

Officers were dispatched to a domestic dispute. It was reported that the male half was intoxicated, experiencing mental health issues, and was naked in public. Officers arrived and encountered the male who ran from them. Another officer found the male while canvassing the area. The male approached the officer's car. The officer grabbed the male by his arm and told him to place his arms behind his back. The male resisted. Officers took the male to the ground where they successfully handcuffed him. The male was charged with indecent exposure, disorderly conduct, and public intoxication and was transported to the hospital via ambulance for care. No injuries were reported.

An officer was dealing with a retail theft incident inside a township store. As the officer attempted to handcuff the female suspect, she began to pull away from the officer. The officer firmly grabbed the female's wrists to gain control and was able to successfully handcuff her. The female was charged with retail theft. No injuries were reported.

Dear Officers,

You made Woody +
Nellie so happy last
Saturday evening (3/29) when
you stopped in the pool
parking lot, so you
could introduce K9 Graf
to our grandchildren.
They treasure their
trading cards and had them
close by at bedtime.

Thank you for your
service.

Chief

Just wanted to update you on what you heard last week. Ofc Kauffman came across an elderly gentleman on foot. The gentleman was a widower, did not know anyone in the area, and had limited resources. He was apparently trying to get some groceries but didn't have a way of transporting them home. Ofc Kauffman gave him a ride to Wegmans where the gentleman made his purchases and he then gave him a ride home. Ofc Kauffman certainly is taking his 'community caretaker' role seriously and deserves a pat on the back when you see him.

thanks
