Department Notes:

- A 45-year-old female was arrested for theft. The female was an employee at a township business. It was found that she was not properly depositing proceeds from the businesses sales. An investigation revealed that there was a total of over \$33,000.00 worth of missing deposits.
- A 39-year-old female was cited for cruelty to an animal. An officer was dispatched to the parking lot of a township business for a cat inside a locked car. The officer arrived and found the cat in distress, noting rapid respirations and its tongue hanging out. The temperature was 75 degrees outside, but the officer found that the interior of the vehicle was much warmer. A witness advised the cat had been unattended in the vehicle for over 45 minutes.
- A 19-year-old female was cited for harassment. The female got into a verbal altercation with another woman. The other woman exited a township store, and the female punched her on the jaw with a closed fist. The victim did go to the hospital for treatment.
- 6 arrests were made for retail theft.
- Officers successfully served 2 warrants of the 10 warrants that they attempted to serve.
- Officers conducted 13 vacation home checks.

Use of Force: PTPD officers did use force during three incidents in the month of May.

PTPD officers were dispatched to assist PSP with a pursuit that was entering Patton Township on Buffalo Run Rd. An officer was able to deploy spike strips on Buffalo Run Rd., successfully striking the suspect's vehicle and flattening two tires. The officer caught up to where the vehicle stopped and assisted a Trooper who was trying to take the individual into custody. The trooper had the individual at gunpoint. The officer decided it was safe to deploy their taser. The taser was successful and the subject was taken into custody with out further incident or injury.

PTPD officers were dispatched to assist Ferguson Township PD with a domestic dispute possibly involving a male with a gun. An officer made contact with the suspect and another male. The officer held the males at gunpoint until a FTPD officer was able to handcuff the individuals. No injuries were reported and FTPD dealt with the arrest.

An officer attempted to stop a vehicle on a traffic stop. The vehicle continued disregarding the officer's lights and siren. Eventually the officer was able to block the vehicle. The officer drew their weapon and quickly determined there was not a threat. They holstered their weapon and assisted the driver out of the vehicle. No injuries were reported, and traffic citations were issued to the driver.

SUBJ: Performance Report

On 5/13/25, Ofc Friend responded to Buffalo Run Rd to assist a PSP trooper who was pursuing a vehicle. The driver of the fleeing vehicle was later determined have several active warrants and was also under the influence of alcohol. Ofc Friend arrived in a timely manner and deployed spike strips in the area of Bernel Rd. The fleeing vehicle hit the spike strips which created a controlled tire deflation, eventually rendering the vehicle inoperable and forcing the driver to stop. When the vehicle stopped, the driver exited and confronted the trooper and refused to listen to verbal commands. Ofc Friend arrived to assist the trooper and eventually had to deploy a Taser to gain compliance with the driver. After the Taser deployment, the driver was quickly taken into custody without further incident.

It was due to the quick actions of Ofc Friend that an individual who created a dangerous situation on the roadway and had active warrants was swiftly taken into custody with no injury to the individual, officers, or any innocent person or property. His actions reflect the highest credit on himself and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.

Tyler,

Please let your guys who assisted us this morning with the pursuit know we appreciated the help. Spike strips were executed perfectly as well as the taser deployment.

Again thanks for helping bring this to a much quicker and safer resolution.
