Note: Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A 43-year-old female was arrested for disorderly conduct and resisting arrest. The female was creating a disturbance in a parking lot of a township business. The female began fighting with officers when they attempted to take her into custody.
- A 26-year-old male was cited for disorderly conduct. The male was passed out in a vehicle, parked in a residential parking lot, with music blaring.
- 10 arrests were made for retail theft, and 3 arrests were made for DUI.
- Officers successfully served 7 warrants of the 10 warrants that they attempted to serve.
- Officers conducted 5 vacation home checks.

Use of Force: PTPD officers did use force during two incidents in the month of September.

Officers were summoned to a parking lot of a township business for a female who was creating a disturbance. As officers were attempting to take the female into custody, she began to actively resist. Two officers had to control her arms to eventually handcuff her behind her back. No injuries were reported, and the female was transported to the hospital for a mental health evaluation.

Officers responded to a residence to serve a mental health warrant. When the subject of the warrant learned that the warrant existed, they ran into another room. Officers attempted to

verbally de-escalate the female for 10 minutes. The female continued to passively resist by laying on her arms. Officers were eventually able to free her arms and take her into custody. No injuries were reported and the female was transported to the hospital on the mental health warrant.

Subject: Thank You to Officers

Yesterday I was with a group at Ambleside Park for a geocaching activity. We climbed a very steep footpath and on the way down I took a very hard fall and was unable to make it the rest of the way down the path. Our group leader called 911 and several officers responded. They helped me up to get into one of the patrol vehicles and got me to the bottom of the hill. I didn't get their names but I want to make sure that they know how much I appreciate the help they provided. They were very courteous and professional. A real credit to the police force.

Thank you

September 23, 2025

Dear Chiefs, Lt. Jones, and Sheriff Sampsel,

I want to extend my heartfelt thanks to each of your departments and teams for the outstanding support you provided during yesterday's critical incident. Your assistance was instrumental in ensuring a safe and effective arrest in a potentially volatile situation.

Incident Overview:

Officers were dispatched for a female screaming to get off of her. Upon arrival, officers saw a distraught female through the windows of the residence. The female came to the door, and officers learned that Jason Hannon had strangled the female, choked her, and threatened her with a knife, stating his intent to kill her. It was determined that he was still in possession of a knife and had held the female against her will. Officers were able to remove the female from the residence safely, and the defendant barricaded himself inside with the weapon. It was also discovered that he had sustained a self-inflicted stab wound to the chest.

I would like to recognize the following agencies for their collaboration, specifically:

- Bellefonte Police Department
- Centre County Sheriff's Department
- Pennsylvania State Police
- State College Police Department
- Patton Township Police Department
- Ferguson Township Police Department
- Penn State University Police Department
- Centre County Tactical Response Team
- Centre County Negotiators Team

Your professionalism, coordination, and willingness to jump in wherever needed were truly appreciated. This was a powerful example of teamwork and what we can accomplish when we work together.

Additionally, Ofc. Shawn Luse of the Bellefonte Police Department did a phenomenal job of negotiating with the suspect, which ultimately led to the suspect giving up the weapon and later surrendering peacefully.

Thank you again for your dedication and collaboration.

Very Respectfully,

Adam R. Salyards
