Note: Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A 57-year-old male was charged with providing false identification to law enforcement and various summary traffic offenses. An officer observed the male improperly backing his vehicle on a divided highway. The officer conducted a traffic stop. The male was unable to produce any identification but did verbally provide the officer with his demographics. After a thorough investigation the officer decided to fingerprint the male since he could not verify any of the information he provided. The fingerprints revealed the male's true identity, and it was found that he had active warrants.
- A 37-year-old female was cited for harassment. She was engaged in a dispute with another driver over a parking spot at a township store. The female, while engaged in the verbal dispute, physically struck the other driver.
- An 18-year-old male was arrested for unauthorized use of a motorcycle. The male came to a township business after hours, where he was employed, and removed a motorcycle from the property. The male knew he was not authorized to use the vehicle and ended up crashing and damaging the bike.
- 4 arrests were made for retail theft.
- Officers successfully served 19 warrants of the 21 warrants that they attempted to serve.
- Officers conducted 11 vacation home checks.

Use of Force: PTPD officers did use force during one incident in the month of January.

Our officers were dispatched to assist PSP with a vehicle driving the wrong way on Interstate 99. A PTPD officer located the vehicle and tried to get the vehicle to stop. A pursuit ensued and the vehicle eventually stopped off the shoulder of the interstate. The officer unholstered his pistol and pointed it at the vehicle. The officer quickly determined that there was not a threat, holstered his weapon, and dealt with the vehicle occupants.

Subject: A note of gratitude

Dear Chief Jolley,

I am writing to share my recent experience with Sgt. Shaffer and Officer Brahosky.

On Tuesday, January 20th, at approximately 9:00 p.m., two of my horses escaped into a field across from my farm. After searching on foot through the snow, I located them at a neighboring farm on Route 550. Given the dark, winding roads and the snowy, windy conditions, I was very concerned about walking them back safely.

My mother contacted the police for assistance, and Sgt. Shaffer and Officer Brahosky arrived within minutes. Their calm and patient demeanor helped settle both me and the horses. They immediately offered to escort us back to my barn, with one patrol car in front and one behind, ensuring we arrived home safely. Because I was focused on securing the horses in the cold, I did not have the opportunity to thank them properly at the time.

I am incredibly grateful for their assistance. Their actions exemplified a strong commitment to public service and community, and just all around kindness. I feel very fortunate to live in Patton Township.

Sincerely,
Jessica Glick

Hi, I just wanted to thank the Patton Township Police Officer patrolling Park Forest Ave at 8:30 this morning, he stopped to offer to help me finish clearing my driveway. Not needed at that point, but greatly appreciated!

SUBJ: Performance Report

On 1/18/26, Ofc Krise, Ofc Ottolini, and Ofc Friend responded to the State College Regional Airport to assist Penn State police officers with a male who was armed with a knife and apparently under the influence of a controlled substance. The officers arrived to find the male had damaged numerous fixtures in the airport and was barricaded, still armed with a knife, behind a rental car company desk. The male was not compliant, threw items at officers, and at times demanded to be shot. The Patton Township officers helped form a perimeter around the male to contain him and were prepared to utilize less lethal munitions if needed. The swift containment of the suspect allowed the Tactical Response Team to arrive and take over the perimeter from the patrol officers. Det Sallade, a negotiator, and Ofc Tuskovich, a tactical team operator, deployed with the team. Det Sallade assisted with negotiations. Ofc Tuskovich was at different times tasked with lethal and less lethal coverage and ultimately helped take the male into custody after the team deployed a taser to gain compliance.

It was due to the professional response and teamwork displayed by Ofc Krise, Ofc Ottolini, Ofc Friend, Ofc Tuskovich, and Det Sallade that an armed suspect who was a serious threat to the community was safely contained and taken into custody. Their actions reflect the highest credit on themselves and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.

Re: State College Regional Airport Incident - 1/18/2026

Chief Jolley:

I am writing this letter to recognize the valuable assistance provided by members of PTPD during an incident at the State College Regional Airport on 1/18/2026. PSUPD patrol was dispatched to State College Regional Airport at approximately 0218 hours on 1/18/2026 for a suspicious male within the facility. A second caller advised the male was destroying items inside of the facility. The first responding PSUPD officer was met by the suspect, Jeffrey Roeder of Michigan. Roeder brandished a knife and threatened to kill the officer.

Additional PSUPD officers arrived on scene, including myself. Roeder entered the Hertz Car Rental area and barricaded himself behind the counter. PSUPD officers on scene established a tight containment of Roeder and attempted negotiations. Roeder repeatedly threatened to kill officers and spoke of committing suicide by police.

Officer Michael Friend, Officer Michael Ottolini, and Officer Zachary Krise responded from patrol and assisted. Officer Ottolini assisted by providing less lethal coverage with the less lethal shotgun. Officer Friend and Officer Krise assisted by provided coverage.

PTPD Centre County Tactical Response Team member Officer Brad Tuskovich and Crisis Negotiator Det. Katelyn Sallade responded to the incident. CCTRT took over as a Quick Reaction Team and negotiations. Ultimately, less lethal devices were utilized and Roeder was arrested.

I want you to know the caliber of officers you have under your command. All officers involved operated with a high level of professionalism and expertise. As the incident OIC, I truly appreciate the assistance they provided and am thankful for the great relationship between our departments.
