Subject: Thank you

I wanted to thank your departments and specifically your officers that responded very quickly to assist us in the canyon last night. Needless to say as I watched the end of the game, I was not expecting a call as I crawled into bed about the canyon filling up. The added staffing your agencies provided helped us disperse the crowd peacefully in under an hour with only 1 summary arrest. Please let me know if your officers had any issues or feedback about last nights deployment.

Thanks again, Greg

Subject: Thank You!

Hello,

Thank you so much for organizing the Patton Township Children's Safety Fair on September 17. This is the first year I took my 5 year old grandson and he had so much fun. That smile says it all!

Kudos to all who organized and participated in this great event. I know everyone is very busy and working so hard. I want to be sure everyone knows how much this was appreciated.

SUBJ: Performance Report

On 9/9/22, Ofc Vardzel and Ofc Carter responded to the Spring Hill Suites for a report of a male who had collapsed and was unconscious. Ofc Vardzel arrived first and determined that the patient was in cardiac arrest. He immediately attached an AED to the patient and began chest compressions. Ofc Carter then arrived and took over chest compressions while Ofc Vardzel administered rescue breaths. The officers conducted CPR for several minutes, and while doing so they used the AED to administer three shocks to the patient. EMS then arrived and took over care of the patient and transported him to Mount Nittany Medical Center for more advanced care. He was still being treated in the ICU several days later.

It was due to the quick actions of Ofc Vardzel and Ofc Carter that a patient in cardiac arrest was revived and able to be transported for more advanced care. Their actions reflect the highest credit on themselves and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.
