## **Department Notes:**

- A 33-year-old male was arrested for theft. The male was employed by a construction company working at a site in Patton Township. The male stole \$3,000.00 worth of tools from the job site and sold them to a pawn shop in Harrisburg.
- A 24-year-old male was arrested for impersonating a public servant and disorderly conduct. The male hosted a gathering at his residence where many people were intoxicated. A fight broke out and the male intervened while identifying himself as a public servant. The males conduct led to a physical altercation.
- A 21-year-old female was arrested for theft of lost or mislaid property. The female used a self-checkout register at a Township business. The previous customer requested \$100 cash back but forgot to take the money. The female noticed the money, took it, and left the store without attempting to return it to its owner.
- 13 arrests were made for retail theft and 4 arrests were made for driving under the influence.
- Officers successfully served 11 warrants of the 16 warrants that they attempted to serve.
- Officers conducted 7 vacation home checks.

**Use of Force:** PTPD officers used force during two incidents in the month of October 2022.

The first incident stemmed from a reported retail theft. The male suspect fled on foot. An officer initiated a foot pursuit but was unable to catch the male. A FTPD officer contacted the male, displayed his taser, and ordered the male to stop. The male was taken into custody without further incident. The male was charged with evading arrest on foot and retail theft. There were no injuries reported by the male or the officers involved.

In the second incident, one of our officers was assisting a FTPD officer with a DUI arrest. At the hospital the arrestee, who was being uncooperative, refused to walk, drug her feet, and was pushing backwards. Officers had to hold the females arm and wrist to escort her in for a blood draw. No injuries were reported by the female, or the officers involved. The female was admitted to the hospital.
