SUBJ: Performance Report

On 1/19/23, Ofc Tuskovich, Ofc Soohoo, and Sgt Albright responded to a residence in Patton Township for a report of an unresponsive male. Ofc Tuskovich arrived first and quickly determined that the patient was in cardiac arrest. He immediately started chest compressions. Ofc Soohoo soon arrived with an AED and oxygen. He attached the AED and it shocked the patient. The two officers then administered oxygen to the patient. Ofc Tuskovich continued chest compressions, alternating with an EMT, while Ofc Soohoo used the AED to shock the patient two more times. At this point, Sgt Albright arrived along with more EMS personnel. Sgt Albright assisted the EMTs by bringing their equipment to the scene. EMS then took over primary care for the patient. The patient had a pulse and was breathing when he was transported to the hospital for more advanced treatment.

It was due to the quick actions of Ofc Tuskovich, Ofc Soohoo, and Sgt Albright that a patient in cardiac arrest was revived and transported for more advanced care. Their actions reflect the highest credit on themselves and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.
