Use of Force: PTPD officers used force during one incident in July.

Officers were dispatched to a report of a naked woman walking along a street. Officers found the woman and placed a blanket around her. The woman appeared to be under the influence of narcotics. As officers assessed her well-being, the woman said that she was going to take a

walk and started to run from the officers. Officers escorted the woman to the ground, where she complied when asked to put her hands behind her back to be handcuffed. The female was evaluated by EMS and transported to the hospital for treatment. No injuries were reported as a result of our use of force.

I can't thank you enough for taking the time to come hang out with my crazy group of kliddos. All they did was talk about the lights on the police car! They enjoyed your visit and we are so glad you could stop by!

Thanks again
